

DISABLED PERSONS OR PERSONS WITH REDUCED MOBILITY

that need to use a recognized assistance dog must present valid documents. The dog will be embarked in the cabin provided a notification* is sent to us at least 48 hours before the departure time of the flight. The passenger must assume the obligation to comply with specific national law of the country of destination and with applicable internal rules on the transport of assistance dogs on board the aircraft.

Blue Air does not charge additional fees for transport of these dogs.

DISABLED PERSONS OR PERSONS WITH REDUCED MOBILITY

can travel with up to two pieces of mobility equipment, including electric wheelchairs. In this case a notification* must be sent to us at least 48 hours before the departure time of the flight. We assume their transport subject to possible limitations of space on board the aircraft, and subject to the application of relevant legislation concerning dangerous goods.

Blue Air does not charge additional fees for transport of this mobility equipment.

*Notification can be sent [here](#) or to info@blue-air.ro
